

Playtacular was founded in 2017 by Brady Peterson and Tim Swindle, two guys who like to have fun and bring fun to those around them.

Brady is a prolific inventor and the creator of Otrio, Groovy Blocks, Newton, along with several others. Brady lives in Highland Park with his wife Katy and two children.

Tim is an entrepreneur and creator of the hit party game, Utter Nonsense. He also launched Lickety Spin with his 10-year old niece, a DIY activity for kids. Tim lives in Chicago with his wife, Puja, and pup, Tucker.
